

JUNE

From the Director's Desk:

June!! What!?! Half of our year is over, and it feels like it just started!! Tis the season of sunblock, flip flops and pool towels! If you have a vacation coming up, please remember to let me know. Several of you know that we can apply sunblock on the children here at school; if you haven't already you may bring it in and fill out a medication form so that way your child stays protected from the lovely UV rays we wait all year to soak in ☺ as always if you need me, I'm here! Catch me, shoot me an email or give me a call and we can set up a time to get together. -Stay cool and hydrated!! Dixie

Water Wednesdays

Water Wednesdays will start June 9thth. Please make sure to bring your child in ready to play in the water (suit under their outfit, sunblock, water shoes and a labeled towel) We will do water play during the morning outside times, afterward the children will be changed into dry clothes for the remainder of the day. Please label everything with your child's name to ensure it stays with your child. Shoes that can get wet are a must.

Donuts with Dad

Friday June 18th 6am-9am
Come and enjoy donuts with your child in the front classroom.

Summer Camp

Pre-k and up will have the opportunity to join us for summer camp this year. We have started our curriculum for the summer. We will be doing lots of experiments and other fun activities. More details to be coming out soon about our field trips. If you have any questions my email is dixie@talentedtots.org

Please make sure all toys stay at home. We do not want anything to happen to them or get lost. Any personal items need to have the child's name written on it please.
