

From the Director's Desk:

★ Hello everyone! IT'S been a great summer so far and we have so many more fun things planned for the kids throughout the upcoming weeks!! We are at the mid-point of summer being over and school starting back up! I'm excited to shift into the next season. August will be a busy month for us as well. Please make sure to keep us informed of any family vacations or schedule changes 😊 and as always, if you need me, I'm here!!

Stay cool and hydrated!! Lindsey

Water Wednesdays

Water Wednesdays will continue until August 7th. Please make sure to bring your child in ready to play in the water (suit, sunblock, water shoes and a labeled towel) We will do water play during the morning outside times, afterward the children will be changed into dry clothes for the remainder of the day. Please label everything with your child's name to ensure it stays with your child. Shoes that can get wet are a must.

Summer Camp

This year we have created a separate Calendar for our campers- it is located in their classroom as to not to cause confusion for the other parents. We have some exciting trips planned for us this year!!

**If you know you are staying for before and after school please let us know as soon as possible- thank you!

If you would like to place a book order, you can do so either online or by placing your order and a check in the payment box by July 20th.

Our class code is NCH4 for online purchases
