

FEBRUARY

A Note from the Director:

WOW! January went by fast! I cannot believe we are already in the first full week of February! Hopefully it will start to warm up so we can get outside to play more! We are doing our best to maintain a good health status here; washing hands, sanitizing toys/furniture. Please remember to give me a call if your child is diagnosed with something contagious and to keep them home for 24 hours after becoming symptom free. This month we are going through licensing renewal, just a heads up there will be several inspectors and licensing specialist in and out. If you see me looking like a chicken with my head cut off; that is why 😊

If you need me, please don't hesitate to reach out! Here's to another great month!!
