From the Director's Desk:

Hello everyone! I hope this newsletter finds you all doing well, staying healthy and enjoying our downtime that COVID-19 has all granted us with. If there is one thing that I am going to take away from all of this is of course; WASH YOUR HANDS, but also SLOW DOWN. Family time is so important, watching our kids grow and explore is SO important and SO rewarding!! With that being said, we are missing all of our friends here- we are missing getting to learn, grow and explore together and I'm crossing my fingers that by the end of the month we are all back together!! As always, if you need me, I am here! Catch me or shoot me an email and we can schedule a time to get together and chat about any questions or concerns you may have. -Lindsey

Talented Tots Preschool Graduation 2020

Graduation is STILL HAPPENING and all our Wonderkids are invited, no matter if they are still coming to school or not. Once I have details in place, I will get the information out to you all. This is an important milestone that I do not want our children to miss out on. It will look different, but we are still going to celebrate our preschoolers heading off to Kindergarten in the fall!!
