

# OCTOBER

## News from the Director:

We are gearing up for all our fall and winter activities and planning our fall Parent Conferences! The children are off to a great start this school year! Please let us know if you have any questions or concerns. Our students are really soaking up our curriculums, so we are excited to show you how far they are coming!!

Throughout the month of October, I will be updating all our children files in the office, if your child has gotten any shots this year and you haven't already, please send in an updated shot record.

As always, if you need me, please give me a call, shoot me an email or catch me in the hallway!  
Much love, Mrs. Lindsey
