

NOVEMBER

A Note from the Director:

This time of the year is looking much different to us than normal. Even though we have to switch around our activities to stay healthy, we are still doing our best to make sure that the children do not miss out on any traditions and we will be sure to take plenty pictures so that parents and Families don't miss out either!

We will be **CLOSED FOR THANKSGIVING**, however we will reopen the following day on 'Black Friday' as it approaches we will touch base with everyone to see what your plans are so that we can plan accordingly for staffing.

As always if you need anything- do not hesitate to reach out! I am just a phone call or an email away! Stay safe and Stay Healthy~ Mrs. Lindsey

Thanksgiving Feast

We will be hosting our annual feast on Tuesday November 24th. Classroom sign ups will be on the parent board near the office. Turkey is provided.

Christmas Activities

While we do not get to have our annual program, we still have something special up our sleeves for all the families to enjoy for the holidays.

This weather is CRAZY!

With this crazy weather, comes crazy germs! We are doing our best to make sure the children are washing their hands upon arrival to school, before/after eating and coming in from outside along with keeping their faces cleaned up. IF circumstances arise, and your child visits the doctor, please keep us updated so that we can keep others informed as well. Thank you for your understanding to keep everyone healthy!

Make sure to label all belongings as well

Happy Birthday!!
