

October

A note from Ms. Kim...

Happy October! We're happy to announce that we will be introducing a new system this month called Brightwheel. This will be our new way of communication with all of our families, as we introduce this program there will be more information with it. As we all know, its officially fall! With that being said, the weather is getting chilly so please make sure you're sending your children to school with adequate clothing: coats/jackets, shoes and socks etc. Our Halloween parties will be taking place Friday October 30th, however it will be a little different this year. As much as we love having all you parents and family members to celebrate with us, due to the covid restrictions parents and families will not be able to attend. Like always, if you have any questions or concerns please feel free to contact me!

HAPPY BIRTHDAY!

Brantley, Aria, Annistyn,
Ethan, Emma, Raider,
Ainsley, Hannah and
Elliot

Halloween Parties:
FRIDAY OCTOBER 30TH

Teachers are putting together lists of things needed for their classrooms Halloween party. They will be hanging on their class doors and you can sign up to bring items in! Please send your child with their costume IN THEIR BAG and they will change them after nap. Thank you all!
